<p>White Sails - White sails is as the name suggests, sailing without use of spinakers. This is an extension of the J24 training program, and intended to get the J24 graduates, and any "rusty hands" out on the water on a Sunday afternoon for fresh air, fun, and sailing practice. Gather at the CCYS at the nominated time and date, you will be placed onto a boat (J24) (crew or skipper - skill dependent) for an afternoon of casual racing. Cost is \$15pp</p>
